Ward Priorities

Burglary

To visit every burglary on the ward. To maintain and reduce residential and non-residential burglaries across the ward.

Vehicle Crime

To visit victims of vehicle theft. To reduce motor vehicle crime - including theft of and theft from motor vehicles.

Community Engagements

To engage with members of the community ranging from youths to the elderly.

The November Bulletin...

With the close of the year fast approaching, these were the highlights that marked our 11th edition of the newsletter for the year.

Getting us off the mark was the inaugural remembrance Sunday which for us was a great day in appreciating the efforts of those heroes that put their lives on the line in duty and service of the nation.

In mass at the All-Saints Church Sanderstead, we were in congregation and amongst our residents from Sanderstead as well as Croydon's wider communities who all joined us in commemoration of our heroes whilst also taking this opportunity to link in and speak to residents and community leaders in attendance.

What is a Safer Neighbourhood's Teams (SNT)

Your Safer Neighbourhood's Team (SNT) is a group of Met police officers dedicated to serving your community.

The team is made up of officers based in your area (or 'ward'), supported by additional officers from the wider area. We work closely with local authorities, community leaders and residents to decide our policing priorities for the area.

This helps us to find useful, long-term solutions to local problems, while maintaining our wider focus on reducing crime across London.

Frontline Focused?!!

In the wake of numerous reports regarding anti-social behaviour around speeding and inconsiderate driving on a few routes within our ward. We put together a small taskforce OPP that was intelligence led thanks to reports from our residents about routes where this behaviour was being exhibited.

The routes focused on in this first run of the OPP were Norfolk Avenue, Wentworth Way and Onslow Gardens all of which after observation gave us results of people being found in breach of traffic regulation which we swiftly addressed with penalty notices and words of warning/advise.

There will be continuity of these to ensure we deal with any traffic related anti-social behaviour whilst also keeping a visible presence on our ward as a reassurance point of contact for our residents.

Neighbourhood Watch

Neighbourhood Watch is about people getting together with their neighbours to take action to reduce crime.

They're community initiatives owned and run by their members which are supported by the police but not owned by them, although we sometimes run them.

They work by developing a close relationship between community members and the local police.

Neighbourhood Watch schemes can:

- cut crime and the opportunities for crime
- help and reassure those who live in the area
- Encourage neighbourliness and closer communities
- Go to www.cbnwa.com to find out what groups are active in your area and to register to join.

We organize contact points sessions, which are face to face sessions that members of the public can attend and discuss any concerns you may have with local officers

Please see dates, times and locations.

Please let us know if you plan on attending.

Extra News Digest Column....

Please do be on the look out for a few more updates around crime prevention and ward alerts from us especially to do with Sanderstead. This messaging will mainly be channeled Via our met engage platform which we again kindly urge our residents to sign onto with the details provided below

So why sign up?

The platform will allow you get timely alerts on crimes, scams and fraud in your area, safety tips and prevention advice, local officer updates on community events/or detail and lastly, you will have a platform to help you voice your concerns to help shape local policing priorities.

Met Engage supplements, but does not replace, official reporting channels i.e. contacts such as (999,101 and the police online submission form). Your data will also be kept secure and used for sending relevant trusted information.

Residential Burglary

Lastly as our takeaway point and a kind plea to all our residents, please do be that ever more vigilant and on the lookout in terms of securing your property and homes. This again, is from the observation made from our figures above on the residential burglaries which have steadily increased as we have gone into the colder months.

Going away?

Here are five tips to help you keep your home and belongings stay safe while you're away:

1. if you're off on holiday and wish to post anything on social media, make sure your posts aren't public and that they're only seen by your friends
2. leave lights and a radio on a timer to make the property appear occupied
3. get a trusted neighbour to keep an eye on your property or join a Neighbourhood or resident Watch Scheme
4. consider asking your neighbours to close curtains after dark and to park on your drive
5. remember to cancel newspaper and milk deliveries
