Working together to make Barnet safer

Barnet Safer Communities Partnership

We have invested in upgrading and expanding our CCTV network including fixed and redeployable cameras, we renewed a Public Space Protection Order across the whole borough to tackle nuisance and anti-social behaviour, and we take part in regular community engagement activity alongside partners including the police, working together to make Barnet a safer place to live, work and visit.

Reporting crime

Reporting crime helps direct limited resources to where they are needed most:

- **999** for emergencies
- **101** for non-emergencies
- Crimestoppers for total independence and anonymity: **0800 555111**

Support for victims

- **The Barnet Victim Care Hub** offers a range of support to victims of crime - contact them by emailing: **BarnetVictimCareHub@barnet.gov.uk**

Community Safety Team

Across the borough we have our dedicated Investigation and Enforcement Officers from the Community Safety Team. You can report community safety issues such as street drinking, harassment, and anti-social behaviour directly to them to investigate.

As well as running regular enforcement and resident engagement patrols across the borough, you can contact us via **BarnetCST@barnet.gov.uk** or on **020 8359 7816** to get advice or report a concern.

Hate crime

Hate Has No Place in Barnet, which means that we have zero tolerance for any crimes based on hate. Find everything you need to know here: **www.barnet.gov.uk/hatecrime**
You can report hate crime to the police on **999** in an emergency or **101** for non-emergencies.

Barnet Safer Communities Partnership

Violence against women and girls

We are working across Barnet to prevent domestic abuse and violence against women and girls, support victims and survivors, and challenge harmful and abusive behaviour.

B-DASH provides a single route to specialist domestic abuse advice and support, complemented by Barnet's weekly **One Stop Shop,** and our network of **Safe Havens,** safe spaces for anyone who feels vulnerable or unsafe. Find out more at: **www.barnet.gov.uk/bdash**

Drugs and alcohol support

The council works with **Change Grow Live** to support people with drug and alcohol issues. This can include advice, medication and one to one or group support. Call **0300 303 2866** or visit: **www.changegrowlive.org** for more information.

Public Space Protection Order

In 2026, we renewed our Public Space Protection Order (PSPO), which imposes conditions on an area to make sure everyone can enjoy public spaces, free from anti-social behaviour.

Find out more about what's not allowed within the PSPO and report a breach at: **www.barnet.gov.uk/pspo**

Tackling modern slavery

Worried that someone you know might be a victim of modern slavery (being exploited for someone else's gain)?

Email: **MASHAdults@barnet.gov.uk** or call **020 8359 5000** if its an adult you're concerned about, or **020 8359 4066** if it's a child.

Keeping children safe

We work with children, families, schools, police, health partners and community organisations to prevent children becoming involved in crime, violence and exploitation. Through early help, targeted support and outreach, we identify risks early, safeguard vulnerable children and young people, and work together to reduce harm and improve outcomes.

Find information, advice and support for children, young people and families at: **www.barnet.gov.uk/children-and-families**

For more information about these initiatives and more, visit: **www.barnet.gov.uk/communitysafety**
