6-week programmes for Beginners & Improvers

Join our free 6-week courses designed for complete beginners or those looking to boost their digital skills. Whether you're just starting out or want to build confidence using computers, smartphones, or the internet, we've got a course for you.

Our programme will support you to:

- Learn how to use your device
- Stay connected with friends and family
- Search for information online
- Access NHS and public services
- Stay safe online
- Shop online

Monday Workshop

Perfect for one-off support or practicing your skills. This runs at 1-3pm on Mondays (excluding bank holidays) at Greenford Community Centre.

Technology Loan Scheme

Borrow a tablet, smartphone, laptop, or Alexa for 6–8 weeks.

Databank

We offer free SIM cards for people facing data poverty. SIM cards are either pre-loaded or issued through vouchers.

Monthly Repair Workshop

In partnership with Middlesex Association for the Blind, we can help with computer and tech support and repairs, as well as printer and media repairs. Parts not included in repairs – users must provide or purchase their own if necessary.
