Community Engagement / Action :

Mile End SNT Officers carried out our monthly activities such as Bike Marking Events, Walk, Talk and Do. MET ENGAGE helps officers to connect with our Community. Members on the platform are provided with support and reassurance when it's needed.

Police Officers from MILE END SNT were conducting regular patrols, stop and searches and were arrested numerous suspects committing offences in the local area in order to keep our neighbourhood as safe as practically possible.

You said: Support with collecting personal belongings.

We did : Mile End SNT officers supported our local resident with collecting personal belongings and documents from the property and mitigate the chance of breach of peace. Mile End SNT Officers present at the location provided reassurance for all parties concerned and made sure everyone involved remained safe and well.

Mile End SNT Officers supported young male, who was noticed on the rooftop and subsequently outside the balcony of one of the local blocks of flats.

Working together with our partnership agencies such as LFB resulted in helping young male to leave balcony safely and receiving all necessary support from LAS, so finally everything ended up well.
