### What we've been doing this month:

#### Ward Priorities

- Reducing Burglaries
- Reducing Drug use
- Reducing ASB

This month we carried out a bike marking event in PECKHAM RYE PARK, which resulted in 26 bikes being marked and registered to assist with their recovery if stolen. This was carried out by both PECKHAM RYE SNT and DULWHICH HILL SNT.

The team have also managed to recover two (2) kitchen knives from different locations after reports came in from the residents. Due to these reports we were able to remove the knives from the street and prevent any possible crimes

#### Your Local Team

- PS Cardy
- PC Rutter
- PCSO Duffus
- PCSO Da Silva  
Rodrigues
- PC Hasan

HARRIS GIRLS ACADEMY is being patrolled daily by the PCSOs during school dispersal times to ensure the safety of the school children as they are being dismissed from school.

PC RUTTER conducted a stop and search on the 6th June on the TAPPESFIELD ESTATE, whilst on route to the ward, PC RUTTER spotted someone on the communal stairwell on the block of flats which lead to stop and search being conducted. From this a knuckle duster, one (1) bag of cannabis, a disabled parking permit, a credit card which both were not in his name. PC RUTTER noticed that he had thrown a container from the top of the building which was retrieved. Inside was a bag with brown powder which is believed to be heroin.

#### Next Ward Panel

**When?** 18/07/2025

**Time?** 18:00-19:00

**Where?** Community centre 145a  
Brenchley Gardens SE23 3RF.

As temperatures are rising PECKHAM RYE PARK is becoming a popular spot which is leading to a increase in phone thefts by unknown suspects on bicycles/E-bikes which is why the area is being patrolled daily for both public reassurance and prevention of possible crimes.

#### Meet the team

Whilst you can always contact us by email you can come and meet us in person to say hello or to discuss any concerns at our ward panel meetings every 3 months, which are informal meetings with your local SNT.
